For almost the entirety of its history, there was only one model of the El Camino available, though Chevy made this fact attractive by providing a slew of different options. One popular option was the SS sports package that provided distinctive exterior trim and 15-inch wheels. For the first time, the El Camino Custom models could not be chosen with a six-cylinder engine, which was only available for the standard cars. 1971 El Camino - Muscle Car Facts 1971-72 Chevelle or El Camino Bench
