Carsforsale.com® The first Acura CL was introduced for the 1997 model year and designed based on the first-generation Acura TL. It was the first Acura that built in the United States. Although the CL was considered to be a satisfactory vehicle, it did not gain popularity like the other Acura coupés. It had been through two generations. The first generation Acura CL (1997-1999) was produced as a 1997 model. It offered base and premium trim levels.
