2002 2006 Range Rover L322 The Range Rover is the third-generation Range Rover model from British car maker Land Rover and was originally developed under the codename 'L30'. The L322 was introduced in 2001 and had a production run of over ten years. Planned and developed under BMW ownership, the vehicle was intended to share components and systems with the E38 7 Series. However, BMW had already sold Land Rover to Ford some two years before the L322 went into commercial production.
