Adventures Of Philip The Adventures of Philip on his Way Through the World: Shewing Who Robbed Him, Who Helped Him, and Who Passed Him By is a novel by William Makepeace Thackeray. It was the last novel Thackeray completed, and harks back to several of his previous ones, involving as it does characters from A Shabby Genteel Story and being, like The Newcomes, narrated by the title character of his Pendennis. In recent years it has not found as much favour from either readers or critics as Thackeray's early novels. The Adventures of Philip - Wikipedia Thackeray uses Arthur Pendennis as the narrator in The Adventures of Philip, he also managed to have a cameo of Clive Newcomes. Thackeray doesn't just tell a story, he talks to the reader and makes one remember their own lost love, the feelings of being young, the joys and pain of life and of growing older.
