Cultures Of Healing Correcting The In Cultures of Healing, Fancher reevaluates each therapy according to social and cultural criteria, offers advice about how to choose your own therapist, and concludes with an assessment of how best to view mental health care and use it wisely and effectively. Cultures of Healing: Correcting the Image of American ... Although cultures of healing are legitimate, Fancher argues that society must understand the culture of the schools of care and assess them critically. This book aids such thinking and is highly recommended for all who are concerned with the state of mental health care in the United States. Marcia Welsh, Guilford Free Lib.,
