Anyone who wants to rediscover how a community can reinvigorate democratic... 'Democracy in the Making' details how open discussion ... The hallmark of democracy is that it permits citizens to participate in making laws and public policies by regularly choosing their leaders and by voting in assemblies or referenda. If their participation is to be meaningful and effective—if the democracy is to be real and not a sham—citizens must understand their own interests, know the relevant facts, and have the ability to critically evaluate political arguments. democracy | History, Development,

Systems, Theory ... A liberal democracy is a representative democracy in which the ability of the elected representatives to exercise decision-making power is subject to the rule of law, and moderated by a constitution or laws that emphasise the protection of the rights and freedoms of individuals, and which places constraints on the leaders and on the extent to which the will of the majority can be exercised against the rights of minorities (see civil liberties). Democracy - Wikipedia A democracy is a political system, or a system of decision-making within an institution or organization or a country, in which all members have an equal share of power.
