classification codes and subject headings can also be considered paratextual elements based on an interpretation of the document (both its 'primary' paratextual elements and its content). Paling describes the cataloguing process as belonging to the paratext where librarians as third parties select the descriptors to be assigned to a book, thus ... Paratext (IEKO) A proliferation of material around the Pixar theory draws attention to its paratextuality and the ongoing process of meaning-making. It extends the original texts' audience and offers new ways of engaging with the animations beyond their singular narrative bounds, and thereby it reinforces the audience's agency in reading any text. The Pixar Theory and Paratextuality |
