Released Students in grades 3–8 take at least two STAAR assessments, one of which is Math. The STAAR Math test contains Readiness Standards and Supporting Standards unique to each grade level.

These standards ensure that students are assessed only on material that serves an important role in preparing them for the next grade's material, college, and their future careers. STAAR Math Sample Questions Grades 3–8 - TestPrep-Online Sample test questions are small subsets of test questions released from the STAAR test banks. These test questions may have been previously administered. A test form is a set of released test questions previously administered together to Texas students which reflects the STAAR test blueprints.
