Disk Enclosures double the transfer rate of current 3 Gb solutions, adding crucial bandwidth. - The HP D2000 Disk Enclosures modular platform allows customers to purchase based on current need and future growth, no hidden management charges. - Enterprise-class dual-port SAS drives as the need and budget dictates.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
