methods and techniques of correct reasoning in their everyday lives. Introduction to Logic - 14th Edition - Irving M. Copi ... My logic professor called the Copi and Cohen text a "libraso", a rather informal way of saying the book is a classic in the field. I couldn't agree more. The section on diagramming arguments not only provides an excellent primer on the structure of reasoning, but also includes a huge number of examples taken from very interesting primary sources.
