with ... The fifth-generation iPod, sometimes colloquially known as the iPod Video, is the first iPod to be available in an alternative color scheme in a non-special-edition form, as a black option was added alongside "Signature iPod White", and marked the second full redesign of the iPod's aesthetic with its re-arranged proportions, its return to a fully flat front plate, and its more rounded rear casing. The 4-pin remote port was removed as well, causing backwards compatibility issues with certain ... iPod Classic - Wikipedia Released early October 2005, the fifth generation iPod, or iPod Video, shed the rounded styling of the fourth generation in favor of a flat front panel attached to a rounded metal rear case.
