Local Histories Reading The Archives Book Description: In Local Histories, the contributors seek to challenge the widely held belief that the origin of American composition as a distinguishable discipline can be traced to a small number of elite colleges such as Harvard, Yale, and Michigan in the mid- to late nineteenth century. Local Histories: Reading the Archives of Composition on JSTOR We are all ages, backgrounds, histories, and perspectives – we all have our own story. Share your own photo or memory keepsake and add your story to Reading’s online digital history and archive collection. All of Reading is invited
