Probably this Defender SN301-8CH also has some other uses, like keeping one's house safe or maybe recording important goings-on around your property and letting you save 500 GB worth of compressed video, but that ain't for me. I just want to get back to the days when I could stay home sick and watch "Gomer Pyle" on the couch.

It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.
