Manual of

Clinical Microbiology, 2 Volume Set (ASM Books ... The manual of clinical microbiology, published by ASM Press, is a favourite of mine because of its immense detail and vast coverage of the field. The first edition was published in 1970, with subsequent editions following at four to six yearly intervals, and culminating in this 8th edition, which has been expanded into a two volume set with 141 chapters and 2113 pages, written by 230 authors ... Manual of Clinical Microbiology, 8th Edition A textbook such as the Manual of Clinical Microbiology has to serve multiple purposes: it should serve as a reference manual for the practicing clinical microbiologist and as a study guide for pathology residents and clinical microbiology fellows. Those

preparing to take the boards in clinical microbiology are perhaps the only group that will read these 2 volumes cover to cover—an endeavor that will not be wasted.
