For a conflict theorist, culture is seen as reinforcing issues of "privilege" for certain groups based upon race, sex, class, and so on. Reading:

Theoretical Perspectives on Culture | Sociology The Cold War was reflected in culture through music, movies, books, television and other media, as well as sports and social beliefs and behavior. One major element of the Cold War was the threat of a nuclear war; another was espionage. Many works use the Cold War as a backdrop, or directly take part in fictional conflict between the United States and the Soviet Union.
