for sale | eBay What it takes to be a Champion There's  
a fine line between a good grader and a great one.  
With the development of Series IV graders, Champion  
is crossing that line to be "the best on earth" for every  
job your grader has to do. Champion's "voice of the  
customer" program led directly to many of the operator

features introduced in Series IV. Ch730/730A/736A 21

I also, have had access to parts books and service manuals for Champion graders, and have never seen a torque converter setup mentioned. Unless a machine could be fitted with a lock-up torque, it would not work very well for grading, as the ground speed would vary with the amount of load on the machine.
