Top 50 Maths mini plenary ideas to use in an outstanding ... Y3. We also heard from a (now successful) teacher how our Sat Nav resource assisted her through an interview lesson based around the concept of directions.. That’s a weird concept to have to ‘deliver’ in an unrealistic 20 minute interview slot... and it was a very large group of children too. The Maths Interview Lesson | mathsticks.com Our year three Planit Maths resources are designed to help you plan out how to teach Year 3 Maths. Created by teachers, for teachers, in line with the 2014

National Curriculum. Year Three

Outstanding I wanted FREE Year 3  
Maths Assessments and couldn't  
find any and so I created these for  
everyone to use. They could be  
used in the classroom, booster  
classes or as additional homework. I  
wanted them in 2 different formats  
- the traditional answers at the end  
and the more useful answer after  
each question. Year 3 Maths  
Assessments - FirstMaths.com Fun  
Maths Lesson 1: Human Bar Charts.  
As well as being great for a  
mathematical understanding of bar

charts, this outdoor maths lesson is also a fun way to get to know your class a bit better.. Take them out to the playground or anywhere you can find a straight line on the ground (i.e. the length of the tennis court or football pitch). 10
