characterized by its clear and simple writing style, its orderly and logical presentation, and, above all, by the honesty, modesty, and tentativeness of its claims.” —Religious Education “Philosophy and Education is an excellent source concerning the relationship of philosophy and education. George R. Knight covers the spectrum in philosophy relevant to education. [He] shows how Christian education can be thoroughly Christian instead of just a ‘secular ... Philosophy and Education: An Introduction in Christian ... It demonstrates that every educational theory was inspired by some philosophy. Thus you cannot understand educational theory unless you know the underlying philosophy. Yet it is written in a simple, clear form (sometimes a little too simplistic, if you have a philosophy background, but the intended readers are teachers, not philosophers). Philosophy and Education: An Introduction in Christian ... Education, and education alone, spans the gap. Society exists through a process of transmission quite as much as biological life. This transmission occurs by means of communication of habits of doing, thinking, and feeling from the older to the younger. Without this communication of ideals, hopes, expectations, democracy and education -
