Social Protection As Development Policy At the turn of the millennium, social protection became a new priority for both states of the global South and international development policy more generally. As, in the past, social protection policies were considered unsuitable for development countries, the elevation of social protection to the level of a preferred instrument of development marks a fundamental paradigm shift. Social Protection as Development Policy: A New ... Collectively, they emphasise a broad-based systemic approach to the problems of vulnerability and insecurity, where social protection needs to be 'rescued' from its dominant current conceptualisation

as a response to risk and crisis, and instead be integrated into the mainstream of development policy. Social Protection as Development Policy: Asian ... Social protection covers the range of policies and programmes needed to reduce the lifelong consequences of poverty and exclusion. Programmes like cash transfers – including child grants, school meals, skills development and more – help connect families with health care, nutritious food and quality education to give all children, no matter what circumstances they are born into, a fair chance in life. Social protection | UNICEF Collectively, they emphasise a broad-based systemic approach to the problems of vulnerability and insecurity, where

social protection needs to be 'rescued' from its dominant current conceptualisation as a response to risk and crisis, and instead be integrated into the mainstream of development policy. Social Protection as Development Policy eBook by ... Collectively, they emphasise a broad-based systemic approach to the problems of vulnerability and insecurity, where social protection needs to be "rescued" from its dominant current conceptualization as a response to risk and crisis, and instead be integrated into the mainstream of development policy.
