extreme weather ... Strengthening Resilience of Pacific Island States Through ... This new strategy is concerned with identifying complex, interacting risks of conflict, disaster, and destitution in fragile states and helping to support and strengthen diverse domestic capacities to address them, their root causes, and ensuing crises. This is precisely the difference in focus between working in fragile and non-fragile contexts. The New Humanitarian | Fixing fragility: Why it's time to ... In many fragile contexts, international organisations tend to replace or supplant state or local capacity – an approach that is in no one's interest in the long term. It's something that the sector can do better, and the answer (as it often is), is to invest more resources and effort in strengthening local capacity. The New Humanitarian | Fragility | What's on the minds of ... Increasing efforts to apply resilience to stabilization, peacebuilding, and health have similarly affirmed the value of better fitting development capacities to risks at a systems level.... From fragility to resilience: Recommendations for ... It suggests that states are weak but can improve from their poor situation. J.J. Messner, Co-Director of the Fragile States Index, says 'the term "fragility" really does capture a lot more of that nuance'. It also draws closer attention to the factors that make states fragile in the first place. However, a lingering problem remains. Terminology twist: from failed states to fragile states ... Divided into three administrative regions—Puntland state in the northeast, Somaliland in the northwest, and south-central regions—the country is most widely known for its political instability and chronic health crises. Because of extended periods of conflict and instability, Somalia has become the

quintessential fragile state. Opportunity for health systems strengthening in Somalia ... Among solutions, few are as effective as quality education. If fragile states and international donors directed more resources to strengthening education's three pillars—early, primary, and secondary—the world's SOTCs would finally have a chance to get back on track.
