American Dialogue is filled with unhappy revelations and critical challenges. A reader. Joseph Ellis offers a well-informed "dialogue" with Thomas Jefferson, John Adams, James Madison, and George Washington about America's historical and contemporary ambivalence about race, equality, the law, and foreign policy. American Dialogue: The Founders and Us by Joseph J. Ellis Martin Halliwell is one of the leading British scholars of modern American culture and, in The Constant Dialogue, he offers a sympathetic but critical analysis of Reinhold Niebuhr, a theologian whose sharp angularities of vision have not always elicited sympathy. It is a measure of the book's intelligence and care that the reader is impelled, not only to read Halliwell, but to return to Niebuhr's own texts. The Constant Dialogue: Reinhold Niebuhr and American ... The story of history is a ceaseless conversation between past and present, and in American Dialogue Joseph J. Ellis focuses the conversation on the often-asked question "What would the Founding Fathers think?" He examines four of our most seminal historical figures through the prism of particular topics, using the perspective of the present to shed light on their views and, in turn, to make clear how their now centuries-old ideas illuminate the disturbing impasse of today's political conflicts.
