The Competition Law Of The The price which society pays for the law of competition, like the price it pays for cheap comforts and luxuries, is also great; but the advantages of this law are also greater still, for it is to this law that we owe our wonderful material development, which brings improved conditions in its train. But, whether the law be benign or not, we must say of it, as we say in change in the conditions of men to which we have referred: It is here; we cannot evade it; no substitutes for it have been found; Andrew Carnegie: The Law of Competition Competition law is a law that promotes or seeks to maintain market competition by regulating anti-competitive conduct by companies. Competition law is implemented through public and private enforcement. Competition law is known as antitrust law in the United States for historical reasons, and as anti-monopoly law in China and Russia. Competition law - Wikipedia Competition law exists to ensure that businesses operate in open and competitive markets. The law aims to promote healthy competition and fair trading. Businesses need to be aware of the main rules to avoid breaking the law or becoming a victim of others' anti-competitive practices.
