It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers

Read PDF The Macrobiotic Path To Total Health A Complete To Preventing And Relieving More Than 200 Chronic Conditions And Disorders Naturally who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
