What would have made The Third Horseman better? Perhaps one tenth of the book was actually about famine and climate change. Judging by the title and the summary, it should have been far more. This is still a decent read/listen, but only if you're interested in the conflicts of Edward the Second.

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface.

However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.
