information on the latest trends in modern technology for computer professionals. The series is based on one simple premise: great books come from great authors. User Stories Applied - pearsoncmg.com In User Stories Applied Mike Cohn suggests a more formal approach to writing user stories. He suggests the format: As a (role) I want (something) so that (benefit). For example, the user story of Figure 2 could be rewritten as "As a Student I want to purchase a parking pass so that I can drive to school", as you see in Figure 3.
