In some cases, you may also find free books that are not public domain. Not all

free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

.

Happy that we coming again, the new growth that this site has.
